Re: Rebuild Durham Follow-up Items

At the work session held June 7, City Council asked for a listing of the properties owned by Rebuild Durham, a list of current board members and the name of the organization's contact person at SunTrust. The list of properties is attached as is a map showing their locations. The current board roster is also attached.

The Department has the contact information for the person at SunTrust Mortgage who handles the Rebuild Durham mortgage. We will refrain from placing that information in a public document and will provide to you on an as needed basis.

Please let us know if any additional information is needed.
